## Out and about with the Thelma Hulbert Gallery

As part of the 'Soil Culture: Casting Seeds' exhibition  
16 April-21 May THG are offering two trips.

# Field trip and workshop with exhibiting artist Peter Ward Sat 21 May, 11am to 4pm

As a form of creative expression people have used pigments gathered in their surroundings. Connecting with this primitive process, this day will involve a trip to collect earth pigments, learning about their geology and exploring simple paint making with Devon artist Peter Ward.

Peter has spent the last eight years researching the history and uses of earth pigments in the Southwest.

**£8 per person or £5 for THG Friends.  
Book both trips for £14 or £8 for THG Friends**

Leaving THG at 11am to collect pigments we will return to the gallery at 2pm to prepare and create artwork with the gathered pigments.

**Please wear practical clothing  
and bring a packed lunch.**

**Limited places so booking is  
essential, transport is provided.**

For more details or to book please contact the gallery (see over for alternative activity)
